EUphony 2019 edition 21.02.-04.03.2019

Mainz, den 28.10.2018

Dear students,

I am very happy to invite you to next year's EUphony orchestra- and chamber music project. The project will be hosted by the KUG and will take place in the beautiful setting of Schloss Seggau near Graz. The tour will take us to Graz, Belgrade and Zagreb.

Following this year's new concept, we are proud to present a group of international renowned lecturers to stay with us through the project, who will be playing chamber music with you, as well as leading sectionals and working side by side with you in the orchestra.

Since all of the lecturers play in leading orchestras and work at international festivals such as Aspen festival, Prussia cove or SHMF, the project aims to give you not only a profound education in ensemble playing, but also to connect you for a future in the business and to open doors to major jobs and venues.

If you are interested to be part of the 2019 edition of EUphony, you can apply now at:

www.euphonyorchestra.com

There you will also find out more about this years program and further information about our lecturers and the project. I am looking forward to your applications

With kind regards,
